

## **Excellence in academics**

**The distinctiveness of Visakha Government Degree College for Women, Visakhapatnam is that it provides high quality and holistic education along with the basic life skills to young women hailing from diverse socio-economic status. It has been playing a pivotal role in providing educational opportunities to the rural areas surrounding it. The College has completed 46 years of its existence by promoting excellence in providing women education. This Institution has earned its reputation for being a premier Institution in the district which is well known for academics and other extra- curricular activities.**

**The students of our college are motivated to achieve excellence not only in academics but also in extracurricular activities. The institution aims to provide all the facilities and opportunities to enable the students to evolve into a confident, skilled and socially responsible citizen of our nation. The students are also encouraged to collaborate with the faculty in undertaking research activities. In order to get industrial exposure and hands-on practice, the students are taken for industrial visits and field trips. Students are selectively guided in study projects specific to their area of interest. Awareness is created on career and employment opportunities for the program the student is pursuing at degree level.**

**Hidden talents of the students are explored by encouraging them to participate actively in debates, essay writing competitions, elocutions and inter collegiate quiz competitions. Imminent potentialities of the students are identified and they are encouraged to be a part of NSS and NCC activities which helps them to imbibe team spirit, leadership skills, socializing and mould them into a complete personality. Women empowerment cell guides the women students to face the various challenges that they encounter in the present social scenario and make them competent enough in academics as well as extracurricular activities.**

**The institute moulds the students with the required knowledge, skills and attitude with global competency capable of working towards the transformation of the society. It aims to evolve with the times and endow the students with the latest technological upgradations. The performance of our students in examination is exceptional in spite of the fact that the majority of them have a rural background. The secret of success is due to the remedial teaching which is undertaken to cater to the needs of slow learners. Mentoring has also helped the students to get rid of academic and stress related problems. Six students from our college got PRATHIBHA awards from Andhra University for performing exceedingly well in their respective courses in final examinations of academic year 2018-19. K.Indumathi's ( III B.Sc.) Gnanabheri award from Government of India is an evidence of our college commitment towards achieving academic excellence.**

**ANDHRA UNIVERSITY  
VISAKHAPATNAM
